

Dear Parent –

The Hope PDO and Preschool PTO is proud to announce that Abrakadoodle Art Education, Inc. will continue offering after-school enrichment in the Fall of the 2010-2011 school year. Abrakadoodle's mission is to enhance the lives of children by creating an educationally rich learning environment that ignites their imaginations and leads them to discover their own unique creativities, talents and abilities.

Abrakadoodle is a comprehensive art program which offers classes for children 20 months to 12 years of age that include painting, drawing, sculpting, collage, and more. Abrakadoodle's art instruction inspires the imagination and self-expression through *Process Art with a purpose!* This style of instruction fosters creativity through experimentation with new art techniques and materials while developing fine motor and language skills. Children learn through exploration and discovery or the "process" of creating their art while having a blast!

Attached is a registration form with the following class description and instructions:

## Abrakadoodle Mini-Doodlers (Ages 3-5 - must be potty trained)
